

Message from the Director.....Jayme Garrett

Welcome and thank you for visiting the Barren County ALPHA website.

ALPHA is an acronym for Adult Learning in Pursuit of Higher Achievement. Higher achievement can mean many things including, but not limited to, Adult Literacy, Adult Basic Education, Adult Secondary Education, GED Preparation, English as a Second Language, and Family Education. Whether you need a GED, want to brush up your skills before returning to college or vocational school, learn to help your children with their homework, or otherwise, we are here to assist you.

We serve adults age 16 years and older who are not enrolled in a public school. All of our services are FREE to qualified participants. Our goal is to help adults/families succeed in building a better more self-sufficient lifestyle. Our staff is friendly, understanding, and genuinely interested in helping you succeed in reaching your goals. I would be happy to speak with you about your goals and how we can help. Please feel free to give me a call at 270-678-9385.
