

**School Professional Development Plan 20 - 20**  
***Professional Learning***

All staff members need to obtain **24 hours** of Professional Development credit from the following:

<b>School Name:</b>			<b>Principal:</b>	
<b><u>Date</u></b>	<b><u>Name and Description of Learning Activities</u></b>		<b><u>Hours</u></b>	<b><u>CSIP/CDIP Correlation</u></b>

The CSIP/CDIP Correlation refers to the tie between professional learning activity and current school improvement plans as they target increased student performance.

By regulation, professional development is aligned with:

- local school and district goals and priorities as reflected in the school or district improvement plan or individual professional growth plans;
- Kentucky’s Standards and Indicators for School Improvement; **and**
- Kentucky New or Experienced Teacher Standards or Interstate School Leaders Licensure Consortium Standards, or other professional/job standards.

**Please submit to Central Office director by May 1<sup>st</sup> (for May Board Meeting BC 03.19)**  
**School PD Plans are to be on file for five (5) years with district PD coordinator**
