School Counselor, Carrie Bunch

About Me: I am excited to begin my 6th year in the guidance office as your School Counselor! The 21-22 school year is my 22nd year in education, all of which have been here at Barren County High School. Prior to becoming a counselor, I taught English for sixteen years. I also served as club sponsor to several different clubs, senior sponsor, SBDM member, and was the yearbook advisor. I am a graduate of Caverna High School and Western Kentucky University.

What to Expect: I am so excited to be your counselor for your last two years of high school. I look forward to seeing you in the halls, classrooms, as well as in my office to address your academic, social/emotional, and career/transition needs.

Important Information: Please join my Google Classroom and the Remind Messaging system prior to the first day of school to help with communication. Follow the BCHS Guidance Office social media accounts on Facebook, Instagram, and Twitter for school related or guidance office announcements.
